

The **OLD GUY** Rules

When a new hire starts to work on the crew give him a copy of this.
Do it the first day, while he still knows everything.

- 1) Always listen to the Old Guy.
- 2) The Old Guy is always right.
- 3) If you think the Old Guy is wrong refer to rule #2.
- 4) If you still think the Old Guy is wrong, prove it.
- 5) Never make a bet with the Old Guy.
- 6) Hurry up.
- 7) Do exactly what the Old Guy says.
- 8) If something is wrong, you did not do exactly what the Old Guy said.
- 9) Always consult the Old Guy if you have a problem or are not sure.
- 10) Always tell the Old Guy if you made a mistake, he will know anyway.
- 11) Never try to hide anything from the Old Guy, he'll find out.
- 12) When you have done a good job tell the Old Guy and be proud about it.
- 13) NEVER EVER eat off the roach coach.

WHY THESE RULES? Because before the Old Guy became the Old Guy, he answered to the Old Guy before him. Every Old Guy was a New Guy who listened to the Old Guy. One day down the road, if you follow and pass along these rules to the New Guy, you too will be the Old Guy.
